Questions for Africatown – Keiro project.

1. Can you tell us a little more about your thought process of building 4 buildings instead of 2 or 1.
2. In the pre-application you mentioned senior housing but in your application there is no mention of senior housing. Have your plans about providing senior housing change? If so, why the change
3. Can you explain more about your cross-community planning process and what part of the process are you in?
4. Have members of the community already been involved in the design of the project so far?
5. What you have learned about from you community engagement so far?
6. What is the relocation plan for the current residence?
7. How long are your service contracts and can we have copies?
8. Can you update your bylaws to add a housing mission?
9. We could not locate demolition costs. Could you please tell us where to find these and if not included could you please include them?
